2017 SINGLE ACRE RIESLING

WINE OVERVIEW

Sourced from vines planted in 1997, our Single Acre Riesling is round, juicy with a vibrant finish. This dry style Riesling was aged in stainless steel barrels. Floral notes of delicate honeysuckle give way to lychee and apricot that carry seamlessly to the back of the palate.

HARVEST OVERVIEW

The 2017 vintage is classically Oregon. Despite a cold winter and cooler than normal spring, ideal weather after flowering created a healthy fruit set, with as much as 20% more berries per cluster than average. Summer was dry and hot, but vines saw little drought stress. By September, everything was on track for a traditional, “normal” Oregon harvest in the Willamette Valley, with Pinot Noir exhibiting outstanding quality. Harvest produced a bumper crop with intense flavor, and perfect sugar and acid levels.

Bottled	April 2018
T.A.	7.4 g/L
pH	3.1
RS	.8%
Alcohol	12.5%
Cooperage	100% Stainless Steel
